Dear Mrs. Manley:

I tried to reach you on the telephone since Monday, but have been unable to get in touch with you.

Sometime ago I wrote you about some money due me by Umpire Turner and I would like to have this money deducted from his salary and sent to me. This covers some equipment.

Another matter that I wanted to talk with you on the telephone about is the Black Yankee situation. All and any money for the Black Yankees in the four-team doubleheader this Sunday is to be turned over to Robert Clark. Please don't turn the money over to anyone else!

I'll explain this situation further when I speak with you on the telephone as soon as you return from out of town.

Very truly yours,

W. A. Leuschner
